1. Suzanne takes you down
To her place near the river
Fa#m
You can hear the boats go by
You can spend the night beside her
Mi
And you know that she's half crazy
But that's why you wanna be there
Sol#m
And she feeds you tea and oranges
La
That come all the way from China
Mi
And just when you mean to tell her
Fa#m
That you have no love to give her
Mi
Then she gets you on her wavelength
Fa#m *Mi*
And she lets the river answer that you've always
been her lover

Sol#m
And you want to travel with her
La
And you want to travel blind
Mi
And you know that she will trust you
Fa#m *Mi*
For you've touched her perfect body with your mind

2. And Jesus was a sailor
When He walked upon the water
And He spent a long time watching
From his lonely wooden tower

And when He knew for certain
Only drowning men could see Him
He said, "All men will be sailors
Then until the sea shall free them"

But He Himself was broken
Long before the sky would open
Forsaken, almost human
He sank beneath your wisdom like a stone

And you want to travel with him
And you want to travel blind
And you think maybe you'll trust him
For he's touched your perfect body with his mind

3. Now Suzanne takes your hand
And she leads you to the river
She is wearing rags and feathers
From Salvation Army counters

And the sun pours down like honey
On our lady of the harbor
And she shows you where to look
Among the garbage and the flowers

There are heroes in the seaweed
There are children in the morning
They are leaning out for love
And they will lean that way forever while Suzanne
holds the mirror

And you want to travel with her
And you want to travel blind
And you know that you can trust her
For she's touched your perfect body with her mind
